|------------|--|
| MT-135-A-1 | First structure on Morony-to-Rainbow 100kV Transmission Line below Morony Dam and Power House. Three-pole H-frame structure with historic porcelain suspension insulators, jumper supports insulators, overhead ground wires, and pole stubs. View to east-northeast |
| MT-135-A-2 | Detail of insulator array at first line structure showing historic porcelain suspension insulators in strings of eight, porcelain jumper support insulators in strings of six, arch rings and ball weights |
| MT-135-A-3 | Morony-to-Rainbow H-frame structure just east of Ryan Dam Road about two and one-fourths miles southwest of Morony Dam and Powerhouse. View to east-northeast |
| MT-135-A-4 | Detail of Morony-to-Rainbow H-frame structure just east of Ryan Dam Road showing three historic porcelain suspension insulators in strings of six. View to east |
| MT-135-A-5 | Overview of Morony-to-Rainbow Line (background) in context with Ryan-to-Rainbow 100kV Transmission Lines 1 and 2 (center and foreground) about three miles southwest of Morony Dam and Powerhouse. View to north |

PAGE 2

MT-135-A-6	Overview of Morony-to-Rainbow Line (far left) in context with Ryan-to-Rainbow Lines 1 and 2 (center) about six miles southwest of Morony Dam and Powerhouse. View to east-northeast
MT-135-A-7	Morony-to-Rainbow H-frame structure about five and one-fourth miles southwest of Morony Dam and Powerhouse. View to northeast
MT-135-A-8	Detail H-frame structure about five and one-fourth miles southwest of Morony Dam and Powerhouse showing one modern non-ceramic insulator and two historic porcelain suspension insulators
MT-135-A-9	Overview of Morony-to-Rainbow Line (far left) in context with Ryan-to-Rainbow Line 1 and 2 (left center) and Cochrane-to-Rainbow Line (near river) about six and one-half miles southwest of Morony Dam and Powerhouse. View to northeast
MT-135-A-10	Overview view of Morony-to-Rainbow Line (right) about one-fourth mile northeast of Rainbow Dam. Ryan-to-Rainbow Lines 1 and 2 at center, Cochrane-to-Rainbow Line at left and Rainbow Dam in background right of center. View to southwest
